Take heed of loving mee
 At least remember I forbid yt Thee,
 Not that I shall repaire my unskiftly wast
 Of breath and blood, upon thy Sighes, and Teares;
 But so greates joy our life at once outweares,
 Then least thy love by my death frustrate bee,
 Yf Thou love mee, take heed of loving mee.

Take heed of hating mee,
 Or too much triumph in the Victoree,
 Not that I shall bee myne owne Officer,
 And hate wth hate, agayne retallyate,
 But thou wilt lose the stile of Conquerer,
 Yf I thy Conquest, perish by thy hate.
 Then least my being nothing lesse than Thee,
 Yf thou hate mee, take heed of hating mee.

Yett love, and hate mee too,
 So these extreames shall neythors office doe,
 Love mee, that I may dye the gentler way,
 Hate mee, because thy loves too greates for mee,
 Or lest these two themselves not mee decay,
 So shall I live thy stage, not triumph bee,
 Then least thy love hate, and mee thou undoe
 O let mee live, O love, and hate mee too.

All Kings, and all thegrs favorites
 All glory of honnors, Beautyes, Writts,

The Sunne itselfe, which makes Times as they passe,
Is elder by a yeare now, then it was,
When Thou and I first One another sawe,
All other things, to their destruction drawe,
Only our Love hath no decay,
Thys no to Morrow hath, nor yesterday;
Running, it neuer rums, from vs away
But truly keeps the first, last, everlasting day.

Two Graues must hide thyne and my Course,
If one might Death weare no Divorce,
Alas, as well as other Princes wee,
(Who Prince enough in One another bee)
Must leave at last in Death, these Eyes and Eares,
Oft fed with true Lashes, and with sweete salt Teares:
But Soules when nothing dwells but Love,
(All other Thoughts being Inmates) then shall prove
Thys, or a Love encreas'd then above.
When Bodies to their Graues, Soules from their Graues remove.

And then wee shall be thoroughly blest,
But wee no more then all the rest;
Here upon Earth, w' are Kings; and but wee
None are such Kings, and of such Subjects bee;
Who is so safe as wee; where none can doe
Treason to vs, except one of vs two.
True and false Feares Let vs refrain,
Let vs Love nobly, and live, and adde againe
