

What should I see a Sun by reverse sell,

Let mans soule be a Sphere and then in this

The Intelligence that mannes Structure is:

And as the Sphere by being growne

Subiect to the same motion, loose they owne,

And as the Sphere, why let every day,

As in a year, they naturall forme change

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

As things first mouer and are whyth by it.

As in a day, So our soules as with

A draft of John Donne's "Goodfriday, 1613. Riding Westward", one of a group of newly discovered Donne documents described on pp 870-3 by R. S. Thomson and David McKitterick. The poem is transcribed overleaf.
